Dear Brother Husic:

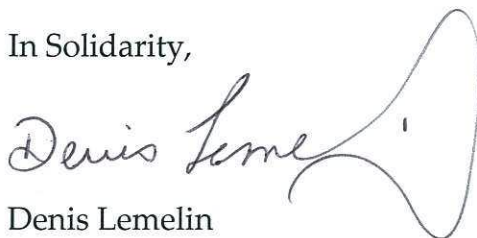

On behalf of the 56,000 members of the Canadian Union of Postal Workers, I am sending greetings of support and solidarity for a successful conclusion of your dispute with Australia Post.

Several of the issues you are fighting for are identical to the issues our Union is facing. This includes the struggle to create and protect full time jobs and to stop the trend towards the casualization of our work and the use of the employer attendance management programmes.

CUPW knows that by standing up for Australian postal workers you are strengthening the determination of members of the Canadian Union of Postal Workers.

Please call upon CUPW for support and assistance.

In Solidarity,

Denis Lemelin
National President
